**AUTHORIZED REPRESENTATIVE FOR THE FOLLOWING MANUFACTURERS:**

Select product name to go to web page

**WORLDWIDE AIR COOLERS**

- Air-cooled heat exchangers for gas processing, refineries and other heavy industries
- Replacement parts for air coolers
- Replacement bundles
- Reciprocating engine cooling
- Field service and in-shop repairs

**DCL**

- Oxidation and 3 way catalysts for reciprocating engines
- Replacement elements for all manufacturers
- Engine exhaust methane reduction
- Exhaust waste heat recovery

**ENALCO**

- Waste heat recovery boilers to produce hot water from reciprocating engine exhaust
- Exhaust bypass valves

**DRC Heat Transfer**

- Engine radiators, standard and custom, for mobile and stationary applications
- Complete remote radiators and charge air cooler systems
- Charge air coolers
- Oil and fuel coolers
- Cooling system piping and accessories

**ELECTRATHERM**

- Organic Rankine Cycle (ORC) power systems utilizing waste heat

**SOUTHERN HEAT EXCHANGERS**

- Shell and tube heat exchangers for chemical, refinery and oil and gas process applications
- Replacement bundles for all manufacturers
- Kettle Reboilers
- Field repairs
- Parts and service
- Manufacturing in Houston and Tuscaloosa
- Since 1961

**AeriNOx**

- Selective Catalytic Reduction for NOx reduction in lean burn gas and diesel reciprocating engines
- Integrated exhaust waste heat recovery
- Skidded package units
- for mobility and ease of installation

**SUTTON STROMART**

- Heavy-duty radiators for engine cooling
- Air-cooled heat exchangers for process cooling

**FIRWIN**

- Insulation blankets & permanent insulation solutions for engines, exhaust, & industrial applications

**Universal Load Banks**

- AC load banks to 4 MW
- DC Load Banks
- Permanent mount or portable
- Resistive or reactive
- Load bank accessories
