AUTHORIZED REPRESENTATIVE FOR THE FOLLOWING MANUFACTURERS:

Select manufacturer name to go to that web page

DRC HEAT TRANSFER

- Radiators for mobile and stationary applications
- Heat exchanger packages for remote cooling
- Cooling system piping and accessories
- Remote radiators
- Charge air coolers

AeriNOx

- Selective Catalytic Reduction for reciprocating engines
- Packaged/skidded SCR systems
- Integrated SCR and exhaust heat recovery systems
- Project management and support

WORLDWIDE AIR COOLERS

- Air-cooled heat exchangers for gas processing, refineries and other heavy industries
- Reciprocating engine cooling
- Replacement bundles

SUTTON STROMART

- Heavy-duty radiators for engine and process
- Vertical and horizontal
- Flexible configurations
- Intake cooling

ELECTRATHERM

- Organic Rankine Cycle (ORC) power systems utilizing waste heat

DCL

- Oxidation and 3 way catalysts for reciprocating engines
- Replacement elements for most manufacturers
- Diesel particulate filters
- Waste heat recovery equipment for steam and hot water for

FUEL TECHNOLOGIES INTERNATIONAL

- Automated maintenance systems for stored diesel fuel
- Diesel fuel stabilizers and biocides

Universal Load Banks

- AC Load Banks to 5 MW
- Resistive or Reactive
- DC Load Banks
- Specialty Load Banks
- Permanent mount or portable
- Trailer mounted

FIRWIN

- Insulation blankets & permanent insulation solutions for engines, exhaust, & industrial applications

ENALCO

- Exhaust waste heat recovery boilers for hot water
